

Map of South America showing Argentina, Chile, Paraguay, Uruguay, and Brazil. A grey rectangle highlights the central region of Argentina, including the provinces of Córdoba, Santa Fe, Rosario, and Buenos Aires. Major cities like Santiago, Mendoza, Concepción, Neuquén, San Carlos de Bariloche, Comodoro Rivadavia, Antofagasta, Salta, San Miguel de Tucumán, Asunción, Curitiba, Florianópolis, São Paulo, and Campinas are marked. The map also shows the states of Paraná, Santa Catarina, and Rio Grande do Sul in Brazil.

A map of the study area in southern Argentina, showing the locations of four sampling sites: Santa Isabel, Delgado, Saforcada, and Ortiz de Rosas. The map includes latitude markings from -32 to -37 and a Google logo.
